To Parents of Preschool Age Children,

St. John's Evangelical Lutheran Church believes that all children are precious in the sight of God. Therefore, we have made it our goal in this community to provide specialized training for preschool children. Proverbs, the twenty-second chapter, sixth verse says, "Train up a child in the way he should go; and when he is old he will not depart from it." These words give both parents and the church direction for the Christian training of children.

Enclosed for your consideration is a pre-registration application for our preschool sessions.
